1
I may have some support
groups to suggest
although you need to
talk to the tutor and
your child

3
Glad you came to speak
to me. We can look at
all the information and
maybe refer them to a
Prevent programme
channel

If this is the only sign then
talk to your child.
If not we may need to
explore further

8

Glad you came to speak
to me, are there any
other 'changes' in his
behaviour that has you
worried? If not, you need
to talk with your child

6

Are there any other signs
that you are aware of?
Talk to your child

7

Firstly have you spoken
with your child about
internet safety?
Glad you came and
spoke with me, I can offer
advice and if necessary
look at a Channel referral

9

Are there any other signs? Talk to your child or school.

10

I have some information on support groups for parents and children in the area, if you have spoken to the tutor and your child
