

PREVENT - Awareness game

Aim: Pick a card to deal with a situation and discuss who you should talk to

Objective: To be aware and explore different advice available in different situations and when to approach the safeguarding adviser.

- Instructions:**
1. Pick one of the numbered cards (1-10) and read the mini scenario
 2. Choose one of the people you would talk to. Will you talk to your child, tutor or safeguarding adviser? Lift the card that has the same number as the mini scenario.
 3. Read the card out loud and discuss
 4. You may want to choose a different person to talk to - lift the card that corresponds to the scenario. Do this until you've 'talked' to all three people.
 5. Each learner has a go until all the cards have been discussed.
 6. At the end of the game the tutor can discuss the role of the safeguarding adviser and Channel
